

ITINERARY 4: SIMILAN ISLANDS

The Similan Islands are part of a National Marine Park. The pristine beauty of the sandy beaches and the diversity of the fauna and flora has rightly ranked the Similan Islands as one of the top ten diving places in the world.

Full day tour only: 8:00 am to 5:00 pm from and to the hotel.

Subject to weather and tides. Lunch aboard. Extra fuel cost 40,000 THB.

Overnight and Day 2: Explore more of the Similan Islands.

Take the time to discover more of the underwater scenery with shoals of fish, marine life and colourful corals.

Note: we do not include diving equipment, but a local dive master can be organized upon advanced request.
